Thank you for contacting the Deepwater Horizon Joint Information
Center. We understand your concern about the on water clean up and
methods to address oil dispersion and recovery. We appreciate your
information and want you to know that we are doing everything we can to
stop the flow of oil and minimize the impact on the environment. If
your services or product is needed, someone from the Response
Operations team will contact you. You may also call 281-366-5511.
